Welcome to this year’s special edition of Holiday Heroes. The Board of Directors and the entire Staff at CURE Childhood Cancer Association would like to wish our friends and families a joyful and healthy holiday season.

As the holiday season is a time of giving and hope, it is heartwarming to see the outpouring of support and love from our community. This year, CURE Childhood Cancer Association is proud to be a part of the Holiday Heroes program, which celebrates the contributions of everyday heroes who make a difference in the lives of children with cancer.

CURE Childhood Cancer Association is dedicated to providing comprehensive support services to children and their families throughout the year. Our mission is to help children and their families cope with the emotional, financial, and educational challenges of childhood cancer. We believe in the power of love and unity, and we are grateful for the support of our donors, volunteers, and partners.

This holiday season, we want to thank all of you for your continued support and encouragement. Because kids can’t fight cancer alone, we are committed to providing the essential services that our families need.

We hope you will join us in wishing our friends and families a joyous and healthy holiday season. Happy Holidays!
